

## **TQX SynPlus VAG FS 5W30**

### **Description**

A fuel economy motor oil, developed according the most recent technology, based on high quality solvent refined mineral and synthetic base oils and a well balanced choice of advanced additives to obtain the following properties:

- a lower fuel consumption
- reduced formation of combustion residues (mid SAPS content) - suitable for modern catalysts
- a fast cold start
- a safe lubrication film at high temperatures
- extended oil drain intervals
- a very good detergency and dispersion
- a very strong protection against wear, corrosion and foaming

### **Application**

This fuel economy motor oil can be used in petrol and diesel engines, with or without turbo-charging, in passenger cars and delivery vans where extended oil drain intervals are possible. This oil meets the requirements of the VW 504.00/507.00 standard, in practice also called VW Longlife III.
