## Fully synthetic engine oil

Premium High-Performance, low-ash engine oil for petrol and diesel engines. Specially developed for extended service intervals and for engines fitted with exhaust after treatment devices. Approved for all Volkswagen Group cars including Volkswagen, Audi, ŠKODA and SEAT.

### Description

Quantum Longlife III 0W-30 is a premium high-performance engine oil especially developed for Volkswagen Group engines fitted to passenger cars and light commercial vehicles. The low SAPs formulation makes Quantum Longlife III 0W-30 ideally suited to engines fitted with exhaust aftertreatment devices.

### Application

Quantum Longlife III 0W-30 can be used in petrol and diesel engines and is especially designed for vehicles fitted with exhaust gas aftertreatment devices such as SCR and DPF.

Quantum Longlife III 0W-30 is suitable for both extended and standard service intervals.

For diesel engines Quantum Longlife III 0W-30 should only be used in with low sulphur fuel. Quantum Longlife III 0W-30 will mix with other oil but to gain the full benefit It is recommended to change the oil completely when changing to the Quantum grade.
